

1.25.2 Configuration Release Items: January 2021

What has changed...	What it means...	How it looks (as applicable)...
Person		
<p>IRB will now receive/populate “Preferred Name”</p>	<p>If a user has listed a preferred name in PeopleSoft, it will now appear in the place of their official name throughout the suite. The Official Name will still be used for anyone who has not added a Preferred Name in PeopleSoft.</p>	
<p>Additional information about Person</p>	<p>In addition to name, e-mail address, and title, the suite will now receive additional user information including the following information about individuals’ primary affiliation:</p> <ul style="list-style-type: none"> • Job code and decoded job name • Department code and decoded department name • FTE information • School <p>This new information will be used to drive role-based disclosure requirements in OAIR.</p>	<p>Harvard, John</p> <p>Employer: Harvard University</p> <p>Phone:</p> <p>E-mail: john_harvard@harvard.edu</p> <p>Title: Harv Grad Stud Fellowship</p> <p>School: Harvard Law School [HLS]</p> <p>Department: HLS^Fin Dean Student Stipends</p> <p>Job: Harv Grad Stud Fellowship 000905</p> <p>FTE: 0.000286</p>
<p>Bug Fix: E-mail addresses will no longer revert to outdated/inactive addresses</p>	<p>A small number of users were affected by a recurring bug, where their e-mail would revert to an outdated address. This issue has been fixed so that e-mail addresses in the suite will always match the primary e-mail address listed in the Harvard directory to ensure continuity of notifications from the applications.</p>	
Suite-Wide		
<p>OAIR Tab added to top navigation (January 25th)</p>	<p>The OAIR application will become available on January 25th, and a new tab will be added to the suite</p>	 <p>The screenshot shows a navigation bar with the following items: HARVARD UNIVERSITY logo, ESTR - IRB, Dashboard, Agreements, OAIR (highlighted with a red box), IRB, Safety, and a user profile icon labeled 'John O'Leary PhD'.</p>
