

Full-Committee Review - Process Overview

1. Pre-Review

Initial high-level review conducted by the IRB Contact

IRB Contact will complete the Pre-Review activity, and indicate the Regulatory Oversight, special populations/determinations/waivers,, initial risk level, type of research, etc.

IRB Contact will assign Submission to Designated Reviewer to complete the review

2. Full-Committee Review

Review Assignments are sent out via Meeting Agenda, and will also display in the reviewer's My Inbox tab

The Committee Review activity will be completed by the IRB Contact, based on the determination made in a meeting

3. Meeting Minutes Review

Once the Meeting Minutes are completed, they will be assigned to the next meeting for review.

Meeting Minutes for review will be listed/linked to from the current meeting agenda.

You can navigate to any of the previous meeting workspaces to view previous meeting minutes.
